City Clerk  
City of Lodi

I would like to thank all of the Mayors that participated in the 2003 Mayor's Cup Challenge. We had a great first challenge with over 400 blood donors participating. Delta Blood Bank hopes that the Mayor's office of each city will make this challenge a tradition every January during National Volunteer Blood Donor Month. This fax is only meant to update each participating city and I will be contacting each Mayor's office to more formally express Delta Blood Bank's appreciation.
